

GlucNorm® (repaglinide tablets)

Announcement regarding the change in packaging from plastic bottles to aluminum blister packs

2019/09/18

Novo Nordisk Canada Inc. would like to inform you of a change to the packaging for GlucNorm® (repaglinide) from plastic DUMA bottles of 100 tablets to a box containing 6 aluminum blister cards of 15 tablets each (90 tablets per box).

The 1.0mg tablets will be available in blister packages as of September 15, 2019. New packaging for all strengths will be phased in as supply is replenished in Canada.

Please note there are no changes to the GlucNorm® drug product other than the change of the container to blister packs.

All GlucNorm® products will change to the new blister packaging:

Product	Strength	DIN	Old UPC Code	New UPC Code
GlucNorm®	0.5mg	02239924	0 59014 39924 2	0 59014 00675 1
	1.0mg	02239925	0 59014 39925 9	0 59014 00676 8
	2.0mg	02239926	0 59014 39926 6	0 59014 00677 5

Should you have any questions or require additional information regarding this change to the packaging for GlucNorm® (repaglinide), please contact the Novo Nordisk customer service center at 1-800-465-4334. A copy of this notice is also available on the Novo Nordisk Canada website <http://www.novonordisk.ca/>.
